BEAUTIFUL FOREVER.

How to be beautiful when old?

I can tell you, maiden fair—
Not by lotions, dyes and pigments,
Not by washes for your hair.
While you're young be pure and gentle,
Keep your passions well controlled;
Walk and work, and do your duty—
You'll be handsome when you're old.

Snow-white locks are fair as golden, Gray as lovely as the brown, And the smiles of age-more pleasant Than a youthful beauty's frown, 'Tis the soul that shapes the features, Fires the eye, attunes the voice; Sweet sixteen, be those your maxims— When you're sixty you'll rejoice.

CALIFORNIA RAILROADS.

SAN JOSE, CALIFORNIA, July 8.

EDITORS CAUCASIAN: I presume the

I'm sure that when I was n your country I regarded this state as tion by systems of special and dis urther out of the world than I find it to e, and I did not dream of half the ways neonle have of getting about out here. To begin with railroads, I will speak of the Central Pacific, which is a link in he great overland route to Omaha and the great overland route to Omaha and munity who takes part or feels an inter the East. San Francisco, August 14.—The great speech of Gov. Booth upon the railroad question has been the principal topic of conversation to-day, and has created a profound sensation.
